

Vishwanath is the founder owner at Suvarna College, Dharwad

Vishwanath started with an organisation in 2001 which catered to youths in skill development across all age groups, and the results what we gave was excellent to attract more students to undergo different modules of training (IT). At that time Govt and Non-Govt organisations needed more man power or expertise Human Resource.

We were successful as we moved on and we thought of coming up with a college of pre-university where we helped rural students. After that we started a Degree college. The difference with his college is they provide thrust on skilling along with regular curriculum which makes student ready in all respects when they finish their graduation.

Skilling:

Vishwanath has got his organization affiliated with central and state authorities that help in assessing and certification. This is where we leave successful footprint in every student's life who take up a courses at Suvarna.
